Subject: Final Legal Response to Technical Team's Questions
Attachments: OR 6217 Qs for Attorneys, Responses (final) 11.25.2014.docx

Jayne: Attached is the final legal response to the technical team's initial questions. Steve and JB have both reviewed and commented on this, and this draft reflects those comments. Please let me know if you have any questions. Otherwise, I believe this is ready to circulate to the broader team.

Thank you.

Best,
Jeff
